

## Product Use Guidelines

Thank you for choosing PRO! I hope you find this template valuable. Before you begin using it, please take note of the following important points:

1. **Boilerplate or Starter Kit**: This template is intended to serve as a boilerplate or starter kit, providing a foundation upon which you can build your website. It offers a starting point and should be customized and expanded to create a unique and personalized final product.
2. **Copyright Infringement**: This template has been primarily designed for educational purposes and aims to replicate the design of a website showcased on Awwwards. **Please be aware that Codegrid does not own any copyrights to the original site. There have been made some modifications already to respect the original creator's work and ideas. But to avoid any copyright infringement, it is strongly recommended to make as many make customizations and modifications as you can to make it uniquely yours.**
3. **Fonts**: Font files have been added to project folder for your reference. Please ensure that you install these fonts to ensure proper functioning of the layout. Please note that Codegrid does not own the rights to sell these fonts. If you plan to use these fonts in personal or commercial projects, please ensure that you purchase the appropriate license.

Thank you once again for choosing PRO. I believe this template will be a valuable resource for your projects. If you have any further questions or need assistance, please don't hesitate to reach out to [codegridweb@gmail.com](mailto:codegridweb@gmail.com).
